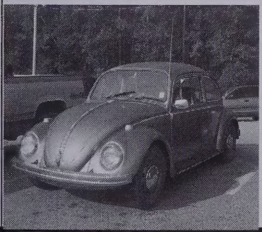
TIGERS

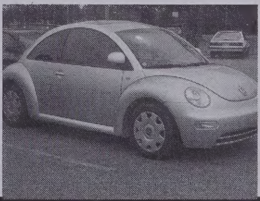
2004-2005

SO WHAT IS DIFFERENT ABOUT THIS YEAR? Well,there are many things that are new around Bay High. There are the new classes like Mythology. We have several new teachers bringing their years of experience with them for the benefit of the students. And we have all the new freshman! With approximately 720 students, there are plenty of opportunitied for new friends, loves, and memories. Well,there are many things that are new around Bay High. There's a lot more school spirit and more people to share it with.

And what better way to see what's completely
different than the yearbook.



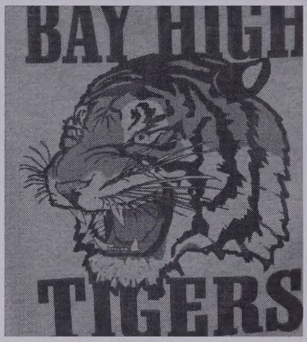
Let's take a look, shall we?

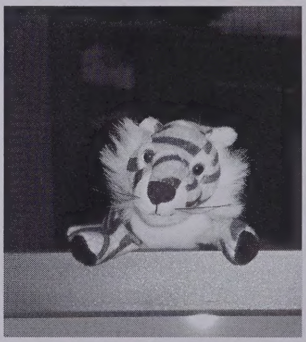


FEATURES

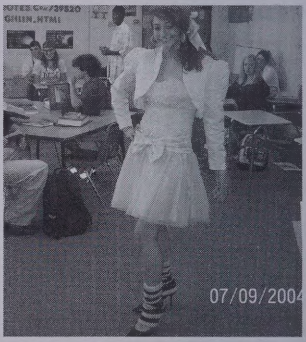
THE COOLEST STUFF TO HAPPEN TO BAY HIGH, EVER

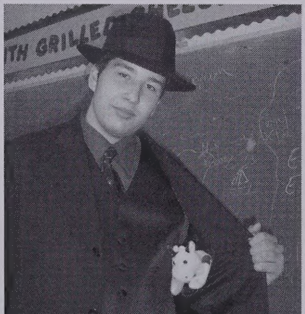
Here's something that's definetly different: The Features Section. That's right: features. Here's where we get to showcase the "creme de la creme" of Bay High. Homecoming Court now has a place as well as school dances. And thanks to Features, Class Favorites now have their own section. How spiffy is that?



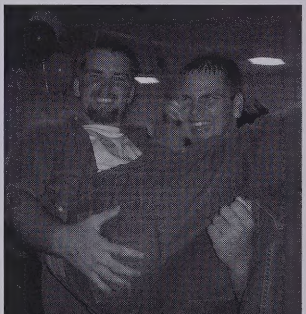


Tigers of many shapes and sizes.





"Hey, buddy, you wanna buy a cow?"



Ballet dancing at the Back to School Dance?

Big Brother is watching you!

Top: Freshmen are concerned about Bay High's calcium consuption.
Middle: These guys make it look easy.
Bottom: Molly Ringwald, eat your heart out.

you?
As I leave
will you be
someone to say
good

My foot

now
I'll
you again
you pretend
you're
naive
Is this what you
want
Is this what
you need
How you
end up,
let me know.
all the simple
things you know,
My mind
Somehow
That you
when I'm
slowly fade.
it would
gone, just try and
stop me, now. You want
but it wasn't me
need me now
a way somehow
now i'll take the

no more room to make
want it too
again, you'll pretend

Class Song: "The Last Song" by All-American Rejects

This may be the last thing that i write for long
Can you hear me smiling when i sing this song, for you and only you

As I leave will you be someone to say good-bye
As I leave will you be someone to wipe your eye
My foot is out the door, and you can't stop me now

You wanted the best, it wasn't me, will you give it back
Now i'll take the lead, when there's no more room to make it grow
I'll see you again, you'll pretend you're naive, is this what you want
Is this what you need, how you end up let me know.

As I go, remember all the simple things you know,
My mind is just a crutch and I still hope, that you will miss me when
I'm gone
This is the last song

The hearts start breaking as the year is gone
The dream's beginning and the time rolls on
It seems so surreal, now I sing it
Somehow I knew that it would be this way,
Somehow I knew that it would slowly fade.
Now i'm gone, just try and stop me now.

You wanted the best, it wasn't me, will you give it back
Now i'll take the lead, when there's no more room to make it grow
I'll see you again, you'll pretend you're naive, is this what you want
Is this what you need, how you end up let me know.

As I go, remember all the simple things you know,
My mind is just a crutch and I still hope, that you will miss me when
I'm gone
This is the last song

And will you need me now, you'll find a way somehow
You want it too, I want it too.

As I go, remember all the simple things you know,
My mind is just a crutch and I still hope, that you will miss me when
I'm gone
This is the last song

ou walk in front of me I can not see ou walk behind me I won't look ack, so let me see my future in ront of me.

THEN & NOW

WHAT HAPPENED IN 1905:

Theodore Roosevelt was President.

Popsicles were invented by 11-year-old Frank Epperson.

The first movie theatre, Nickelodeon, was built in Pittsburg, PA.

Construction had begun on the Panama Canal.

In order to see what's completely different, we have to go back to the beginning of Bay St. Louis High School in 1905. There were only thirteen seniors that year- six women and seven men. How far we have come. . .

David says,"Oooo!" Deret says, "Ahhh!"

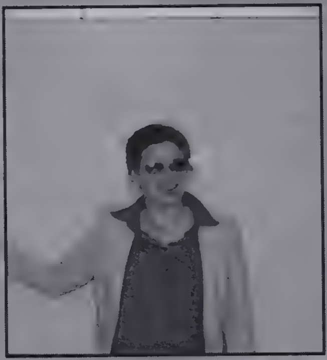
FACULTY

THEY TEACH THE BEST LESSONS IN LIFE, EVER!

The more things change, the more they stay the same. We had a few new faces this year. Mrs. Necaise habla-ed her espanol. Mrs. Sipe ruled ISS with an iron fist. Mrs. Rosetti brought a new flair to Geometry. And the list goes on. Other changes occured. Ms. Rowell became Mrs. Ladner as Ms. Fowler became Mrs. McLaughlin. The Skinner family grew by one beautiful girl and the Cains have a happy baby boy. Mrs. Knebel, Mrs. Ott and Mrs. Jones returned to us- and we could not be happier! There were changes, but one constant: the teachers' love for our students.



Mrs. McLaughlin, we knew it all along!

Bay High's Teacher of the Year

"Language is the marker for assumed attitude."

How long have you been teaching? *10 years*

Despite your difficulties, are you happy to be back teaching?

That is the only thing that has been keeping me going.

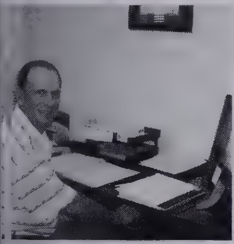
What is your favorite part about teaching?

Its like its not just a lightbulb going off in someones brain when they get it, honestly it is with all of the students. I feel like its a big family to me

Mrs. Boyer

Mrs. Boyer has been a principal for five years. She chooses to be a principal because she enjoys working with the staff and parents. Besides being a principal, she has also been a program coordinator for the Bay-Waveland district for a year, a band director, music teacher, and choral director. Mrs. Boyer loves Bay High and the student body. She looks forward to the upcoming years with the students here.

Principals



Mr. Smith has been a vice principal for two years. This year will be his third year. He used to be a principal but he chooses to be a vice principal. He likes this school. He found this town intresting, so he decided to settle and continue his career as vice principal here at Bay High. As a vice principal, he says there is less responsibility and he is not the one completely in charge. Mr. Smith loves Bay High and the student body. He enjoys being here and being in the environment at Bay High.

The Tigers Are The Biggest, Baddes
Booty-Kickers, Ever

We have a new line-up in sports this year. First of all we have an undefeated 9th grade football team which is coached by Mr. Seymour. Volleyball won their first state championship while Girls' Basketball rackedup another State Championship- we're proud of you all, Girls. Also, the baseball field was dedicated to Coach Weems. This is only the beginning...

CLUBS

The Funnest most-interesting clubs with the greatest bunch of fun-loving People, ever

Bay High Clubs have the most caring people. From the beach clean-up to stocking stuffers for youngsters, they do it all. Youth Legislature passed three bills. French Club sang to the elderly, performed Santa Lucia pageant for the school. DECA lived it up in the big apple. Many clubs marched for dimes and gave blood. IT was a great year for clubs and somehow completely different.

This is the first year Bay High has had a newspaper staff. The students have enjoyed working with Mrs. Council this year. They have worked very hard to collect information and turn it into a newspaper that is not only informative, but also intresting. Mrs. Council is looking forward to another year of newspaper as well as the students. The entire staff is proud of what they have accomplished.

Thank you God for the wonderful gift you have sent my wife and me. Whitney being a spiritual leader is your most redeeming quality and you keep us on our narrow path. Most of all you make us laugh. You are challenging and we love the challenge. Never forget the small things in life (over heated cat, rose red lips, and a file in the gumbo). The greatest things are the ones that people see when they close their eyes. Because in the land of the blind the one with one eye is King. From your adventurous attitude, to your courageous demeanor it takes only a few moments in time to see your outward beauty, your inner passion, and most of all your love for God. Thanks Whitney for being you and letting us have this walk in time with such a wonderful gift. "Whitney Leigh Thomas" a gift from God above. We love you so much. May God continue to lead and direct you on the pathway of life.

I remember when you were my little girl- my every breath, my every thought, and most of the time, the only thing that kept me going. In a blink of an eye, now you are my precious Senior on your way to life and your whole life ahead of you. I am so proud of you. God bless you and keep you safe.

It seems like just yesterday when we brought our little baby girl home from the hospital. You have grown up to be an amzingly beautiful young woman with many great attributes. We wish you the best throughout your life as you graduate and enter college. May God keep you safe and secure throughout your life and bestow as many blessings to you as you have given to others.

I Love You

We Are Proud to be Your Parents

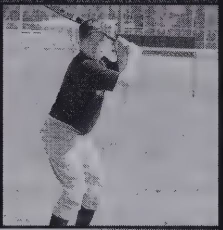
It seems like it was yesterday
that we held you when you were a baby.
But time has a way of slipping past us unnoticed.
We closed our eyes for a moment,
and opened them to find your grown.

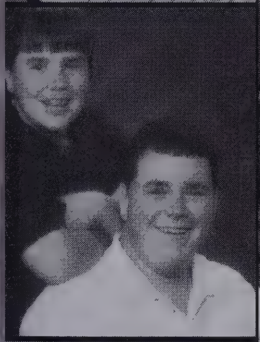
We miss those days when you spoke your first words,
took your first cautious step,
and love and caring were all you needed.
Those were beautiful and precious times.
But now we are finding your grown-up years
are beautiful and precious times, too.
You are not only our child,
you are our friend.

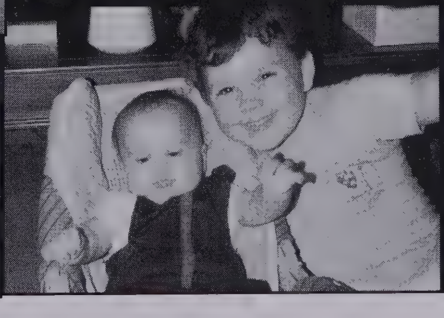
We never realized when you were a baby
how close we would be today.
We thought you would always be our baby,
and in a way, you are.
But as you have grown, so has our love for you.

No parent could ever feel
as close to a child as we do to you.
You are sensitive and caring, loving and giving.
You are a person whom people respect, and so do we.
We are so proud of you; please remember that.

I guess what we are trying to say is
that we are so thankful we are together,
and we are so proud to be your parents.







Granddaughters, here are some things we want you to know and remember . . . .

Please know and remember that it is with greatest joy that we are our grandparents, protectors, and nurturers.
Please know and remember that we will always fulfill these roles with honor, trust and respect for your thoughts, feelings and individuality.
What matters most in life are the people you love and for always you will be the people in our lives who we love so much.
You are the essence of joy and the true meaning of life.
You are the part of us that we are so proud of, because you're you.
You are a rare and treasured gift. You are a dream with all its hope and promise.
You are love, endless and pure.
You are our beautiful granddaughters- please know and remember this always.

Love,
Poppa and Nonnie

To the Senior Class 2005:

This yearbook is not just for memories. We found space for some words of wisdom too.

"We know what we are, but know not what we may be." Hamlet

Succeed in everything you put your mind to.

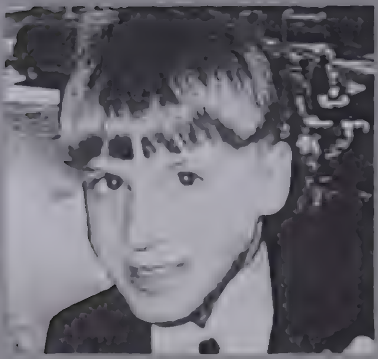
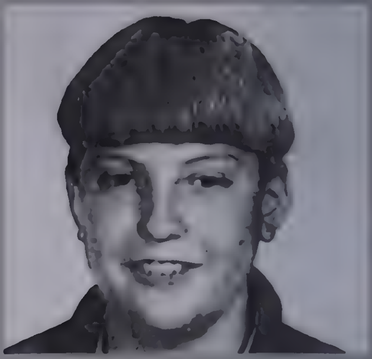
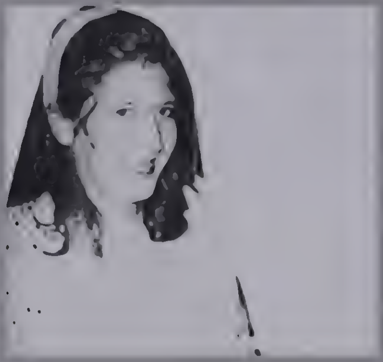
We'll Remember.



Joseph Winningham

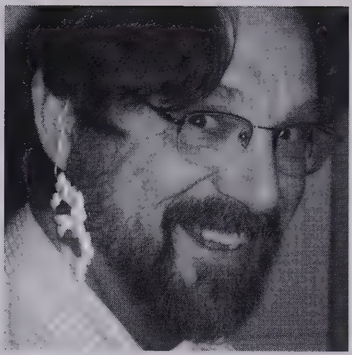


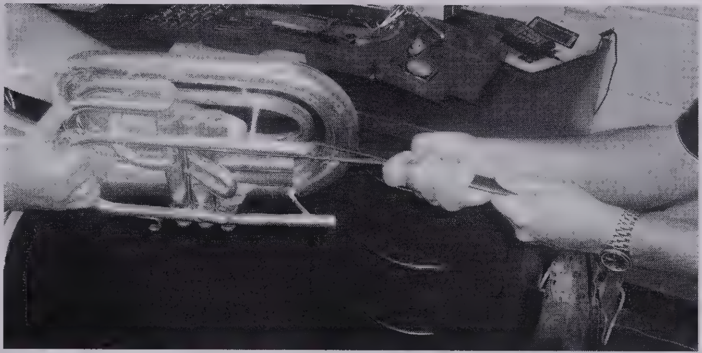
Sean Finnegan



Lindsey Carter

This year has been the time for the Class of 2005 to shine. We have all been extremely close through the years, from sharing crayons to talking about what to wear to prom. While we finish this journey through high school and look to our futures we will not forget the loved ones that we have lost: Joseph Winningham, Sean Finnegan, and Lindsey Carter. Although, they may not be here besides us today, they are here as our guardian angels. When that fateful day comes for the Class of 2005 to recieve our diplomas, the memories of those former classmates will be within our minds, and our hearts.





THANK YOU
&
GOOD NIGHT!!!
